country.

To my loving Church family,

From the moment I was diagnosed with breast cancer you have touched my heart and strengthened my soul with your many acts of love and kindness...the beautiful cards of inspiration (which I read over and over again!), your phone calls, e-mails, visits, food, gifts, and all the many prayers being lifted have made my family and I realize just how much God blesses us each day. Recently I began my journey through chemotherapy and will start radiation treatments this summer; my husband and I are blessed to have you as part of our support team and we appreciate your prayers so much and thank you for all that you do.

Love, DJ Stine
